**Planning Approval:** The customer is responsible for local authority approvals when applicable. Passmores supply drawings on request.

**Site Preparation:** The customer is responsible for foundations. Please ask us for a baseworks drawing before starting work. It is important not to lay an oversize base.

**Delivery Costs:** See map on reverse of order form.

**Delivery Access:** Most buildings are delivered on 7.5 tonne, 2 axle, rigid vehicles, size 9.0 x 2.4 x 3.0 high. Larger buildings are delivered by 12m artic. Unloading will be to nearest point to metalled road. If Passmores is erecting we will carry components up to 20m from delivery point. We will drive off road only at customer's risk and providing tractor or 4x4 is available for towing. If carry is further or obstructed we will ask you to provide labour to assist.

**Erection Service:** Catalogue prices apply to delivery zones 1 and 2 (see map on reverse of order form). Price assumes delivery vehicle access within 20m, correct foundations and availability of 240v, 13 amp, power.

**Easy Base:** Suits field shelters and small stable units (up to 24x12) and ideal for rented fields or where concrete foundations are not wanted. Comprises 150x75 pressure treated timber ground beam with 20 year anti rot guarantee.

**VAT:** All prices exclude VAT. Buildings supplied for certain non-business charitable uses may be zero rated. All other transactions attract VAT at 17 1/2% extra. (20% extra from 01.01.2011)
