## EASYBASE

- Treated timber foundation with 20 year anti-rot guarantee
- Available for buildings up to 3.6x2.4 (12'x8')
- For buildings larger than 12'x8' we recommend paving slabs, concrete or similar. Please ask for information sheet or see reverse of order acknowledgement.
- Prefabricated in the factory and delivered ready to use.
- Supplied with corner legs to facilitate levelling
- Site preparation by the customer, before delivery is confined to levelling the ground over an area approx 6" larger than the building ordered to within ± 1" of level.

EasyBase saves time and money.

1800mm x 755mm

**Access to Site:** Buildings are delivered by road. The driver may be unaccompanied. He will carry components up to 50 paces. If further, please advise us and provide assistance. Please note that most buildings will not fit through the house or through a side entrance with fixed headrail. Buildings can be constructed in smaller panels at extra cost.

**Site Preparation:** The customer is responsible for site preparation. A firm level base is required. Please ask for an information sheet or see reverse of order acknowledgement.

**Delivery Charge:** Free to postcodes BR, CR, CT, DA, KT, ME, RH, RM, SM, SS, and TN. £50.00 to Greater London and postcodes BN, CM, EN, GU, HA, IG, TW, UB and WD. **Further afield:** price upon application.

**Erection Service:** Available in free delivery area only. Erection is carried out at time of delivery so a firm level base must be prepared in advance. Return visit surcharge £25.

**Customer Assembly:** Our buildings enjoy a high degree of prefabrication in our factory. The assembly process is relatively straightforward, requiring DIY skills and basic hand tools. Buildings are supplied complete including felt, glass, fixings and assembly instructions. Please note that some components are heavy.

**VAT:** All prices include VAT at 17%.
