PENT ROOF TIDY

0.9 x 2.4 (3' x 8') Double doors

2.4 x 2.4 (8' x 8')

Usually available ex stock for customer collection

- We provide a week commencing delivery date at the time of order and we contact you nearer the time to confirm which day of the week.
- Buildings are delivered in sections on our own fleet of vehicles. We need to be able to park reasonably close to you.
- Our staff will carry your building components from lorry to site. Please advise us if the carry exceeds 50 paces.
- With the exception of our Small Buildings and Garden Lodge, most Passmore building components will not fit through the house or through a side gate with fixed headrail so please discuss access issues with us.
- If you have ordered our erection service this will be carried out at time of delivery.
- Base preparation is the customer's responsibility. A firm level surface should be prepared in advance. See reverse of our order acknowledgement for base preparation information. We cannot offer to dismantle or remove your old shed.

Notes

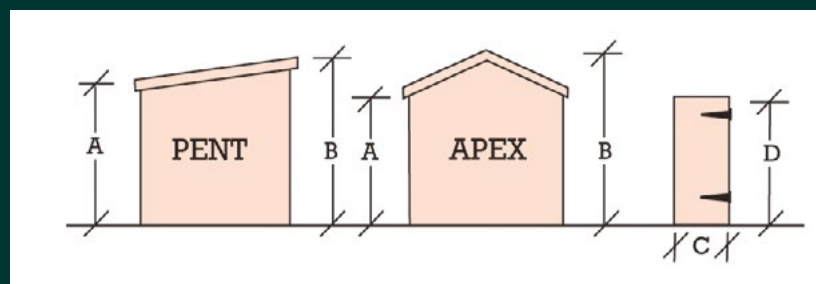

All buildings are constructed to metric dimensions. Imperial equivalents quoted are for the convenience of customers and should not be considered accurate.

Timber sizes quoted are nominal i.e. before machining and finished sizes will be slightly reduced e.g. 32 x 50 wall framing will finish 28 x 45.

All buildings are supplied in accordance with our terms and conditions of sale. Please see www.passmores.co.uk or request a copy.
